

re. IMAGINE

building our faith, shaping generations

Northview Church

*Now to him who is able  
to do immeasurably  
more than all we ask or  
imagine, according to his power  
that is at work within us, to him be  
glory in the church and in Christ  
Jesus throughout all generations,  
for ever and ever! Amen.*

Eph. 3:20,21

IMAGINE

# IMAGINE

In October of 1980, 29 people met in Carmel, Indiana, for the first time, calling their gathering Northview Christian Life Church. *Imagine* what their hopes and dreams must have been. *Imagine* the many God-moments that have occurred in and through Northview over the past 30 years. How many people have found Christ? How many have been baptized? How many have found purpose for the first time? How many have cried during a weekend service because God worked in their heart? How many marriages have been saved? How many missionaries sent? How many ministries established? And to *imagine*...all of this started when 29 people had the vision to imagine a different kind of church for the north side of Indy and the faith to “go for it!”

# re.IMAGINE

Here we are, 30 years later, the beneficiaries of an earlier generation's vision and faith. We are no longer one church with one temporary location, but rather one church with two campuses. Our Carmel campus is situated on 80 of the most prime acres of real estate in Carmel, the highest point in Hamilton County. Our attendance has grown from 29 to over 4,000. Northview has birthed and developed life-changing ministries like Life Groups, Discipleship Walk, Alpha, Dynamic Marriage and Northview University. We've established amazingly effective ministries to children and teens through Studio 6.7 and North Beach. What once influenced only Carmel, Indiana, 30 years ago is now impacting urban areas like Brookside, Indian reservations in South Dakota and faraway places like Nicaragua, Ghana, South Africa, Brazil and China.

So, what about today? Where will our imagination take us? Our clarion call for Northview is to re.IMAGINE...

OPPORTUNITY

OPPORTUNITY

# OPPORTUNITY

Like never before, Northview Church is poised to impact our community, our city, our country and our world. Clearly Northview is a church where the activity of God is readily recognizable and ever present. The new worship auditorium is a ministry tool that has positioned us to aggressively expand our kingdom influence by mobilizing more people and leveraging more financial resources towards our God-given mandate to connect people with God and to connect people with people.

CHALLENGE

CHALLENGE

CHALLENGE

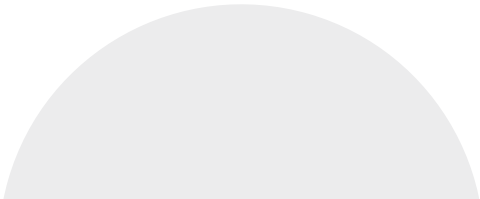

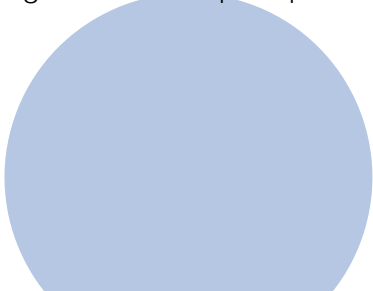

# CHALLENGE

Although the last year of church life has affirmed that building a new worship auditorium on our Carmel campus was the right next chapter for our congregation, with 1000+ baptisms, 800+ salvations, and weekly attendance up over 1000+, it has been the understanding of church leaders that the project would take several steps:

- 1) Planning and preparation
- 2) Raising money to build
- 3) Build
- 4) Raising money to pay off debt

Our challenge today is to stay fully engaged on the mission, while aggressively reducing debt so that we can realize our greatest redemptive potential today and in the years to come.

OBJECTIVE

OBJECTIVE

OBJECTIVE

# OBJECTIVE

We believe that God will do a mighty work in and through our church as we trust Him with the fourth phase of our plan, paying down debt, as well as raising money for key mission initiatives and needed infrastructure improvements. Assuming a \$10 million campaign goal, our objective is as follows:

- Invest \$3 million into the mission
- Reduce debt by \$6 million
- Invest \$1 million into infrastructure projects

VISION

VISION

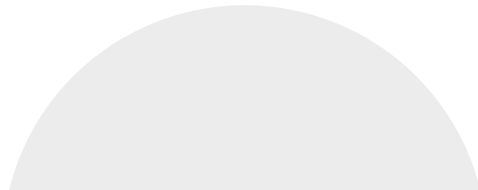

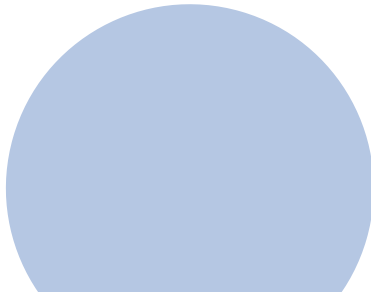

# VISION

By realizing the stewardship mandate, Northview Church will...

## [MISSION]

- Start three new Northview Church satellite campuses
- Construct three homes with Habitat for Humanity
- Help maximize and develop three Horizon International orphan drop-in centers in Africa
- Assemble 333,000 meals a year for three years with Kids Against Hunger (a million meals in three years)
- Help resource and support International Justice Mission as they provide three vital years of aftercare to women and girls they rescue from commercial sexual exploitation around the world

VISION

VIN

VISION

# VISION

Jesus speaks these words to his followers, “Where your treasure is, there your heart will be also.” Faith and money are like two sides of the same coin. Where the one is, the other is also. How we handle money is a spiritual matter. Pastor Randy Alcorn says it this way, “It is impossible to become a fully devoted Christ-follower without becoming a fully devoted steward of the resources that God has entrusted to your care.” Our vision for reducing debt is all about stewardship, enabling us to free up resources for the purpose of God’s mission for our church. By realizing this objective we will...

## [DEBT]

- Reduce our debt payback time by 17 yrs., from 23 - 6 yrs.
- Save \$17 million in monthly payments
- Establish greater financial margin for fulfilling our God-given mission

Imagine the ministry we can do in our community and around the world, with the 1 million dollars we will save each year!

VISION

VISION

VISION

# VISION

By realizing the stewardship mandate, Northview Church will...

## [INFRASTRUCTURE]

- Make the Carmel campus more handicap accessible (elevator, automatic doors, ramps)
- Redesign & resource kids breakout rooms
- Resurface and stripe parking lots
- Build a grounds & maintenance building
- Make needed upgrade to mechanical systems and security
- Improve Atrium and lobby spaces
- Finish basement of new Auditorium

FUTURE

FUTURE

FUTURE

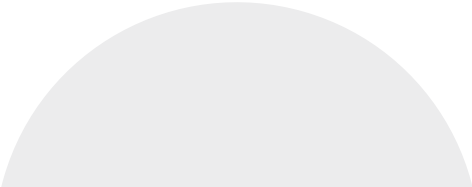

# FUTURE

Northview, the time is *now*.

Let's link arms with our God and trust Him to do immeasurably more than we could ever imagine. Our history is engraved by the story of a faithful few who had the audacity to trust God with big dreams for a church called Northview. And that story continues to be written by us. Let's trust God together. Let's believe Him for fresh new miracles and bold new ventures. Let's *re.IMAGINE*... building our faith, shaping generations.
